unit, and execution of the Residence and Care Agreement, the Resident pays ten percent (10%) of the Entrance Fee, the sum of \$2,000 of which is non-refundable unless the Resident (or residents, if the Resident is a couple) is not capable of taking occupancy of the residential living unit. The balance of the Entrance Fee is due on the designated occupancy date or upon occupancy, whichever is earlier. No interest is paid to the resident on deposits.

Reference should be made to the Residence and Care Agreement for information on Laurel View Village's refund policy prior to occupancy.

Laurel View Village provides three (3) Entrance Fee refund options. If the Residence and Care Agreement is terminated by the Resident of Laurel View Village as provided in the Residence and Care Agreement, prior to the fifty-sixth (56th) month (Option I); or the thirty-second (32nd) month (Option II); or the eightieth (80th) month (Option III) from the designated occupancy date or occupancy, whichever is earlier, Laurel View Village will refund to Resident or Resident's estate an amount equal to:

<u>Entrance Fee Option I (30% Refundable</u>) - the total Entrance Fee paid by Resident less 1.25% of such total Entrance Fee for each full or partial month which has elapsed since the designated occupancy date or occupancy, whichever is earlier. If the Residence and Care Agreement is terminated after the fifty-sixth (56th) month of the designated occupancy date or occupancy, whichever is earlier, then Laurel View Village will refund to Resident or Resident's estate an amount equal to thirty percent (30%) of the total Entrance Fee paid by Resident, less deductions for any financial assistance provided to Resident by Laurel View Village, and/or any amounts necessary to cover costs incurred by Laurel View Village to refurbish, restore or repair the residential living unit in the event of unreasonable wear and tear, and/or costs incurred at Resident's specific request, and/or any unpaid charges due Laurel View Village by Resident.

<u>Entrance Fee Option II (60% Refundable</u>) - the total Entrance Fee paid by Resident less 1.25% of such total Entrance Fee for each full or partial month which has elapsed since the designated occupancy date or occupancy, whichever is earlier. If the Residence and Care Agreement is terminated after the thirty-second (32nd) month of the designated occupancy date or occupancy, whichever is earlier, then Laurel View Village will refund to Resident or Resident's

estate an amount equal to sixty percent (60%) of the total Entrance Fee paid by Resident, less deductions for any financial assistance provided to Resident by Laurel View Village, and/or any amounts necessary to cover costs incurred by Laurel View Village to refurbish, restore or repair the residential living unit in the event of unreasonable wear and tear, and/or costs incurred at Resident's specific request, and/or any unpaid charges due Laurel View Village by Resident.

<u>Entrance Fee Option III (Non-refundable)</u> - the total Entrance Fee paid by Resident less 1.25% of such total Entrance Fee for each full or partial month which has elapsed since the designated occupancy date or occupancy, whichever is earlier, less deductions for any financial assistance provided to Resident by Laurel View Village, and/or any amounts necessary to cover costs incurred by Laurel View Village to refurbish, restore or repair the residential living unit in the event of unreasonable wear and tear, and/or costs incurred at Resident's specific request, and/or any unpaid charges due Laurel View Village by Resident. If the Residence and Care Agreement is terminated after the eightieth (80th) month of the designated occupancy date or occupancy, whichever is earlier, then Laurel View Village will not refund to Resident or Resident's estate any portion of the total Entrance Fee paid by Resident.

Subject to the provisions of Section 8 of the Residence and Care Agreement, any applicable refund shall be paid by Laurel View Village to Resident or Resident's estate within thirty (30) days after all the conditions reflected in the Residence and Care Agreement have been completed. In situations of double occupancy, there will be no refund, partial or otherwise, upon the death, permanent transfer, or voluntary departure from Laurel View Village of only one coresident. Reference should be made to the Residence and Care Agreement for further information.

A schedule of Entrance Fees and Monthly Service Fees is attached as Exhibit C. It is expected that the Monthly Service Fee will be increased periodically, by the board of directors, to cover increases in the cost of providing services to residents. Residents will receive at least thirty (30) day notice of any increase in the Monthly Service Fee. A chart showing the average percentage increase in Monthly Service Fee is attached as Exhibit D.

## Additional Fees for Personal Care and Nursing Care Services

Residents have the right to occupy the residential living unit for so long as they satisfy the health and other conditions of occupancy as set forth in the Residence and Care Agreement. The residents will have priority access to personal care and nursing care services at Laurel View Village. Admission is contingent upon the resident meeting the financial and all other admission criteria. The cost for personal care or nursing care services is not included in the Entrance Fee or Monthly Service Fee. The Residence and Care Agreement signed by residents is a fee-forservice contract. If a resident requires personal care or nursing care services, an admission agreement is signed for that level of care which establishes the basis for charges for personal care and nursing care services. The fees associated with the provision of personal care and nursing care services depend upon the type of room and/or services required. If a resident is permanently transferred to the personal care or nursing care facility, the Residence and Care Agreement for residential living shall remain in full force and effect. An amount equal to the sum of the unamortized portion and, if applicable, the refundable portion of the Entrance Fee (hereinafter called "Health Care Reserve") will be available and applied to cover the charges in the personal care or nursing care facility upon depletion of the resident's resources. Laurel View Village shall apply the Health Care Reserve to pay any outstanding charges incurred by the resident until the termination of the Residence and Care Agreement, or until the Health Care Reserve is exhausted.

Reference should be made to the Residence and Care Agreement for further information.

## AVERAGE ANNUAL COST OF PROVIDING SERVICES

The calculation of the average annual cost of providing services is attached as Exhibit E.

## ESCROW AND RESERVE FUNDS

An Entrance Fee Escrow Account has been established as required by the Pennsylvania Continuing Care Provider Registration and Disclosure Act (Act 82), with First Commonwealth Bank serving as Escrow Agent. Any money so escrowed will be invested by the Escrow Agent in accordance with the provisions of Act 82. Interest in the Escrow Account will accrue to the benefit of Laurel View Village. A copy of the Escrow Agreement is attached as Exhibit F.

Act 82 also requires continuing care providers to establish liquid reserves in the amount equal to the greater of either the total of all interest payments due during the next twelve months on account of any mortgage loan or other long-term financing of the facility; or ten percent (10%) of the projected annual operating expenses of the facility. Because not all the residents at Laurel View Village are covered under continuing care agreements, the actual reserve requirement will reflect only that portion attributable to those residents covered under continuing care agreements. The liquid reserve is funded through a combination of Laurel View Village's debt service reserve and investments which are more than sufficient to satisfy the reserve requirement.

#### **RIGHT TO RESCIND**

Residents may rescind and terminate their Residence and Care Agreement without penalty or forfeiture within seven (7) days of signing a Residence and Care Agreement. Residents are not required to move into the continuing care facility before the expiration of this seven (7) day period. To rescind their Residence and Care Agreement, Residents must mail or deliver a signed and dated copy of a Rescission Notice, or any other dated written notice, letter or telegram, stating their desire to rescind, to Laurel View Village, 2000 Cambridge Drive, Davidsville, PA 15928. ## **RESIDENCE AND CARE AGREEMENT**

The Residence and Care Agreement governs the relationship and explains the mutual obligations between the Resident and Laurel View Village. The Residence and Care Agreement is attached as Exhibit B. All terms of the agreement are reflected in the Residence and Care Agreement. The Residence and Care Agreement also provides a grievance procedure that includes a voluntary mediation provision and a mandatory, binding arbitration provision. Residents should review the Residence and Care Agreement for further explanation.

## **RESIDENT'S RIGHT TO ASSOCIATE**

Residents have the right of self-organization and are encouraged to participate in the affairs of the Resident's Association to represent the welfare and concerns of the Residents. A representative of Laurel View Village will hold at least quarterly meetings with residents for purposes of free discussion of topics related to living at Laurel View Village. Any charges which are unpaid after thirty (30) days of the date of the statement, shall be subject to a late charge of one percent (1%) per month (or annual rate of twelve percent (12%)), and you are obligated to pay any late charges. If the parties mutually agree in favor of you or you are the prevailing party in a collection action, you shall be entitled to recover attorneys' fees and costs incurred in defending the collection action.

The financial information provided in your Residential Living Unit Application, in documents subsequently requested by us, or with your request for financial assistance, must not contain any material misrepresentations or omissions. You may not transfer assets represented as available in your Residential Living Unit Application for less than fair market value unless the transfer does not impair your ability to fulfill your financial obligations to us for future Personal Care Services or Routine Nursing Care Services. If you impair your ability to pay your financial obligations by transferring assets for less than fair market value, or take such other actions that would disqualify you from benefits under the MA Program, then you shall not be considered for financial assistance and this Agreement may be terminated.

Our ability to provide financial assistance is contingent upon a number of factors including the availability of charitable gifts and the financial condition of the Community. If we determine that you qualify for financial assistance, then we may provide such assistance as is necessary to enable you to meet the Monthly Service Fee obligation or other charges, provided that such assistance can be granted or continued without impairing the financial stability of the Community. If financial assistance is initially granted, there is no guarantee that such assistance can or will continue indefinitely or for any specific period of time. We shall deduct amounts necessary to fulfill all of your financial obligations to us from any remaining balance of the unamortized and/or refundable portion of the Entrance Fee. You hereby authorize such deductions from any remaining balance of the unamortized and/or refundable portion of the Entrance Fee, which otherwise would be due as a refund.

The additional fee shall be immediately amortized by us. In the event you and your anticipated co-resident transfer to an apartment, then the Monthly Service Fee for Double Occupancy of the designated apartment shall be paid. The refund shall not be paid at the time one Co-Resident permanently vacates the Residential Living Unit and the other Co-Resident remains in the Residential Living Unit. The Co-Resident who remains at the Community must retain and maintain sufficient assets/resources to provide for his/her future care. # (a) <u>Single Occupancy.</u>

(i) <u>Temporary Transfer.</u> During any temporary transfer to the Health Care Center, Personal Care Center or another facility, you shall continue to pay the Monthly Service Fee and additionally all costs and charges related to the transfer to and occupancy of the Health Care Center, Personal Care Center or other facility.

# (ii) <u>Permanent Transfer.</u>

1) <u>Health Care Center or Personal Care Center.</u> Upon permanent transfer to the Health Care Center or Personal Care Center, and after

Surrender of the Residential Living Unit, the obligation to pay the Monthly Service Fee shall end. This Agreement shall remain in full force and effect upon your permanent transfer. In accordance with the terms and conditions of Section 8, and upon depletion of your resources, the charges incurred by you in the Health Care Center or Personal Care Center shall be deducted from the Health Care Reserve until the termination of this Agreement, or until the Health Care Reserve is exhausted.

**2)** <u>Another Facility.</u> Upon permanent transfer to another facility, and after Surrender of the Residential Living Unit, the obligation to pay the Monthly Service Fee shall end and this Agreement shall terminate. You shall pay all costs and charges related to the transfer to and occupancy of the other facility.

# (b) <u>Double Occupancy.</u>

(i) **Temporary Transfer.** Except as otherwise provided herein, during temporary transfer of one Co-Resident to the Health Care Center, Personal Care Center or another facility, the Monthly Service Fee shall remain the same, and the transferred Co-Resident shall be charged and both Co-Residents shall collectively be responsible to pay the charges for care and services in the Health Care Center, Personal Care Center or other facility. In the event one Co-Resident temporarily transfers from an apartment to the Health Care Center, Personal Care Center or other facility, then the Double Occupancy Fee shall be suspended beginning on the fifteenth (15th) day of such Co-Resident's temporary transfer and continuing until the Co-Resident returns to the apartment. In situations where one Co-Resident temporarily transfers to the Health Care Center, this provision shall not be construed as a third party guarantee nor shall it impair such Co-Resident's eligibility for Medicare or Medical Assistance benefits. In the event both Co-Residents are temporarily transferred to the Health Care Center, Personal Care Center or another facility, the Monthly Service Fee shall remain the same, and both Co-Residents shall be charged and shall collectively be responsible to pay the charges for care and services in the Health Care Center, Personal Care Center or other facility.

## (ii) <u>Permanent Transfer.</u>

1) <u>Health Care Center or Personal Care Center.</u> During permanent transfer of one Co-Resident to the Health Care Center or Personal Care Center, the Monthly Service Fee shall be reduced to the Monthly Service Fee for Single Occupancy, except if you reside in a townhome, then in those situations, the Monthly Service Fee shall remain the same, and the transferred Co-Resident shall be charged and both Co-Residents shall collectively be responsible to pay the charges for care and services in the Health Care Center or Personal Care Center. In situations where one Co-Resident permanently transfers to the Health Care Center, this provision shall not be construed as a third party guarantee nor shall it impair such Co-Resident's eligibility for Medicare or Medical Assistance benefits. In the event both Co-Residents are permanently transferred to the Health Care Center or Personal Care Center, then, after the Surrender of the Residential Living Unit, the obligation to pay the Monthly Service Fee shall end. This Agreement shall remain in full force and effect upon your permanent transfer. In accordance with the terms and conditions of Section 8, and upon depletion of both Co-Residents' resources, the charges incurred by both Co-Residents in the Health Care Center or Personal Care Center shall be deducted from the Health Care Reserve until the termination of this Agreement, or until the Health Care Reserve is exhausted.

2) <u>Another Facility.</u> During permanent transfer of one Co-Resident to another facility, the Monthly Service Fee shall be reduced to the Monthly Service Fee for Single Occupancy, except if you reside in a townhome, then in those situations, the Monthly Service Fee shall remain the same, and the transferred Co-Resident shall be charged and both Co-Residents shall collectively be responsible to pay the charges for care and services in the other facility. In the event both Co-Residents are permanently transferred to another facility, then, after the Surrender of the Residential Living Unit, the obligation to pay the Monthly Service Fee shall end and this Agreement shall terminate. Both Co-Residents shall be charged and shall collectively be responsible to pay the charges for care and services in the other facility.

#### 10.4 <u>Release of or Return to Residential Living Unit After Transfer.</u>

(a) <u>Temporary Transfer.</u> If you are temporarily transferred to the Health Care Center, Personal Care Center or another facility, you may return to the Residential Living Unit at such time as we determine that you can satisfy the Conditions of Occupancy.

(b) <u>Permanent Transfer.</u> If you are permanently transferred to the Health Care Center, Personal Care Center or another facility, you shall Surrender and vacate the Residential Living Unit within thirty (30) days of written notice of our decision to permanently transfer you and release the Residential Living Unit. If in our opinion, you subsequently recover sufficiently to satisfy the Conditions of Occupancy of a Residential Living Unit, we in the exercise of our discretion, shall make available as soon as reasonably practicable a Residential Living Unit with a floor plan comparable to the one relinquished. In the event you occupy a Residential Living Unit after being permanently transferred to the Health Care Center or Personal Care Center, then you shall execute an addendum with us and pay the then current Monthly Service Fee. If you become eligible to occupy a Residential Living Unit after being permanently transferred to another facility, then you shall execute a new Residence and Care

Agreement with the Community and pay the then current Entrance Fee for the Residential Living Unit and the then current Monthly Service Fee.

# SECTION 11: REFUND OF ENTRANCE FEE

Termination Before Occupancy. Any payments will be refunded in full, except 11.1 for the Administrative Fee, if you rescind this Agreement within seven (7) days in accordance with the Notice of Right to Rescind. In the event of termination of this Agreement by your death before the Designated Occupancy Date or actual date of Occupancy, whichever is earlier; or in the event you are precluded from taking Occupancy because of illness, injury, or incapacity prior to the Designated Occupancy Date or actual date of Occupancy, whichever is earlier; then we will make a full refund of all payments, except for the Administrative Fee, less any amounts deducted to cover expenses incurred by us at your specific written request. If you do not terminate this Agreement within the seven (7) day rescission period, but do terminate prior to the Designated Occupancy Date or actual date of Occupancy, whichever is earlier, while not precluded from taking Occupancy by illness, injury, incapacity, or death; then we will retain Two Thousand Dollars (\$2,000) of the Entrance Fee. The balance of any Entrance Fee payments will be refunded to you, less any amounts deducted to cover expenses incurred by us at your specific written request, in accordance with the refund provisions of this Agreement. Where two individuals have signed this Agreement for Double Occupancy, the death of one Co-Resident shall not constitute termination of this Agreement, and no refund shall be due. In the event of the termination of this Agreement by us before the Designated Occupancy Date or actual date of Occupancy, whichever is earlier; then we shall make a full refund of all payments, except for the Administrative Fee.

**11.2** <u>**Termination After Occupancy.**</u> Any applicable refund due to you or your estate after Occupancy shall be determined by the Entrance Fee refund option selected by you as reflected on Exhibit "C".

**11.3** <u>Double Occupancy – Limitation on Availability of Refund.</u> It is the intention of the parties that any applicable refund will only be made in accordance with Section 11.6 after the last surviving Co-Resident vacates and surrenders the Residential Living Unit, and this Agreement is terminated. In situations of Double Occupancy where one Co-Resident is transferred to the Health Care Center and becomes eligible for Medical Assistance, no potential future refund shall be available to pay for Routine Nursing Care Services. If, however, DHS construes any potential future refund as an available resource, or if any court, administrative agency, or other appropriate tribunal having jurisdiction determines that Section 11.6 is contrary to law or Medical Assistance eligibility requirements, then we shall make available the amount determined by DHS

or other appropriate tribunal as an available resource as a refund, and apply such refund to the payment of Routine Nursing Care Services for the particular Co-Resident.

**11.4** <u>Possible Exhaustion of Health Care Reserve Prior to Termination.</u> The unamortized portion and, if applicable, the refundable portion of the Entrance Fee are subject to the provisions of Section 8 related to the maintenance of the Health Care Reserve. In such event, all or part of the Health Care Reserve may be utilized for payment for nursing and/or personal care services. In the event the Health Care Reserve has been exhausted prior to termination, then no refund of any kind or amount shall be due to you or your estate.

**11.5** <u>No Accrual of Interest.</u> No interest will accrue to the benefit of you or your estate on any amounts required to be refunded under this Agreement, including the Health Care Reserve, and no interest will be paid on termination.

Conditions and Due Date for Refund Payments. Prior to Occupancy, any 11.6 applicable refund will be made within thirty (30) days of the termination of this Agreement. After Occupancy, and subject to the provisions of Section 8, any applicable refund will be made only after the following have been completed: (a) the Residential Living Unit has been vacated and surrendered; (b) keys to the Residential Living Unit and to buildings have been returned to us; (c) all personal furniture and belongings have been removed from the Residential Living Unit; (d) the termination of this Agreement; (e) we have accepted and entered into a Residence and Care Agreement with a new resident for the Residential Living Unit most recently occupied by you and the seven (7) day rescission period has expired; (f) the replacement Entrance Fee has been paid in full for the Residential Living Unit most recently occupied by you; and (g) such new resident has taken Occupancy. Any applicable refund will be paid only after all of the above conditions have been completed. Upon completion of all of the aforementioned conditions, any applicable refund shall be paid to you or your estate within thirty (30) days thereafter. In situations of Double Occupancy, there will be no refund, partial or otherwise, upon the death, permanent transfer, or voluntary departure from the Community of only one Co-Resident.

## SECTION 12: ARRANGEMENTS FOR GUARDIANSHIP AND FOR ESTATE

**12.1** Legal Guardian. If you become incapacitated or unable to properly care for self or property, and no representative has been lawfully designated to act on your behalf or no lawfully designated representative is available or able to act on your behalf, then we shall have the option to institute legal proceedings to adjudge you incapacitated and have a guardian appointed for you or your estate or both. You authorize us to nominate a legal guardian to serve, subject to court approval, and you release us from

any liability related to the nomination. All costs of such legal proceedings, including legal fees, shall be paid by you or the legally appointed guardian of your estate.

**12.2** <u>**Power of Attorney.**</u> We encourage you to furnish to us, no later than the actual date of Occupancy, a Power of Attorney executed by you, which shall be maintained in our files.

# SECTION 13: RIGHTS AND OBLIGATIONS OF RESIDENT

**13.1** <u>**Right to Receive Disclosure Statements.**</u> We shall deliver to you prior to or at the time of the execution of this Agreement, and make available to you at least annually thereafter, a copy of our Disclosure Statement required by the Continuing Care Provider Registration and Disclosure Act, Act No. 82 of 1984.

13.2 **<u>Rights to Property/Subordination.</u>** The rights and privileges granted to you by this Agreement do not include any right, title, or interest in any part of the personal property, land, buildings, and improvements owned, leased or administered by us. Your rights are primarily for services, with a contractual right of Occupancy. Nothing contained in this Agreement shall be construed to create the relationship of landlord and tenant between you and us. Any rights, privileges, or benefits under this Agreement, including your right to a full or partial refund, shall be subordinate to any existing or subsequent mortgages or deeds of trust on any of the premises or to any other interest in the real property of the Community and to all amendments, modifications, replacements, or re-financings of any existing or subsequent mortgages or deeds of trust or to any liens or security interests held by secured creditors of Community. This subordination provision means that the claims of secured creditors in the event of Community's bankruptcy or default on its financial obligations shall be paid before you are entitled to receive any applicable refund. Upon request, you shall execute and deliver any document, which is required by us, or by the holder of any such mortgages or deeds of trust or other encumbrances, to effect such subordination or to evidence the same.

**13.3** Inspection of Residential Living Unit and Right of Entry. You shall permit us, our agents, or any representative of any holder of a mortgage or similar interest on the property, to enter your Residential Living Unit for the purpose of making reasonable inspections, repairs, and replacements. Such entry will be made only with reasonable advance notice except under what we consider to be exigent circumstances as deemed necessary and appropriate by us. We shall have the right to enter your Residential Living Unit to perform scheduled housekeeping, routine maintenance, or other reasonably necessary purposes having due regard for your privacy.

**13.4** <u>Housekeeping/Housecleaning Responsibilities.</u> You shall maintain your Residential Living Unit in a clean, sanitary, and orderly condition. If you do not maintain your Residential Living Unit in a reasonable manner as determined by us, after notice to you, we shall have the right to maintain the Residential Living Unit and the cost of such additional cleaning or maintenance shall be charged to you.

Health Insurance. We expect that some of the cost of medicines, medical or 13.5 nursing services or equipment provided for you under this Agreement will be paid by present or future federal, state, municipal, or private plans or programs of medical/surgical insurance, including, without limitation, the benefits available through Social Security programs (commonly known as "Medicare A, B and D"). Prior to Occupancy, you shall secure medical and surgical insurance for protection from medical risks, and when eligible, shall secure and maintain in force at your expense maximum coverage available under the federal government social security health insurance programs known as "Medicare A, B and D" or an equivalent policy approved in writing by us, and at least one Medicare supplemental health insurance policy (commonly known as Medigap insurance, which must include coverage for nursing care co-insurance) such as those offered by the Blue Cross and Blue Shield Plans, or an equivalent policy as approved in writing by us, which provides coverage for Medicare deductibles and co-insurance. Acquisition of equivalent Medicare benefits from a managed care organization ("MCO") will not satisfy the insurance requirement under this Agreement unless the MCO is approved by us in writing as an equivalent policy. Proof of such insurance must be provided at the time of application and prior to admission. In the event you fail to maintain in force, because of failure to make premium payments, such health care insurance after Occupancy, we reserve the right to make such payments for purposes of maintaining such insurance in force for your benefit. You are obligated to reimburse us for such payments made on your behalf and the cost of such premium shall be added to and included in the Monthly Service Fee. The payment by us of any premium due on the required policies does not constitute a waiver of our right to terminate this Agreement upon your failure to make such premium payments and we have no obligation or liability to provide or pay for your health insurance. The Community may require you to provide proof of health insurance from time to time after Occupancy.

**13.6** <u>Vehicle Registration and Insurance.</u> You may operate a vehicle on our campus only if you have a valid driver's license and a valid state registration. You must register the vehicle with us, and comply with our rules and policies governing the safe operation of motor vehicles. We reserve the right to revoke your operating privileges and remove your vehicle from our property if you do not abide by our policy as reflected in the Resident Handbook, which is subject to change from time to time.

**13.7** <u>Insurance Requirements.</u> You shall obtain at your expense, personal property and general liability insurance in such amounts as we may deem appropriate, and you shall provide us with Certificates of Insurance verifying coverage. Policies shall be endorsed so as to provide that we shall receive thirty (30) days prior written notice of cancellation or non-renewal.

Reduction of Income or Other Resources. You shall make every reasonable 13.8 effort to meet your financial obligations to us. You shall not transfer control of assets or property for less than fair market value or make any gifts subsequent to the date of the Residential Living Unit Application, nor make any transfers or gifts after Occupancy, including a transfer of assets to an irrevocable trust, or change the liquidity of your assets in any manner, including the purchase of an annuity, which would substantially impair your ability to fulfill timely your financial obligations to us or the ability of your estate to satisfy your financial obligations to us. In the event you substantially impair your ability to fulfill timely your financial obligations to us, we may terminate this Agreement for just cause following an opportunity to cure. If you fail to cure or correct the non-compliance within a period as determined by us and to our satisfaction, then we may terminate this Agreement for just cause upon thirty (30) days written notice to you or your representative. If you fail to cure within the afforded time and we decide not to terminate this Agreement, then you shall not have access to or the ability to transfer to another level of care within the Community, and you shall not be eligible for financial assistance. Our decision not to terminate this Agreement shall not be construed as a waiver of our right to terminate at a later date.

# 13.9 <u>Responsibility for Property Damage to Community.</u>

(a) <u>Responsibility for Condition of Residential Living Unit Upon</u> <u>Termination.</u> Upon termination of this Agreement, or at such other time as you shall vacate and Surrender the Residential Living Unit, you must leave it in as good condition as the date of Occupancy except for reasonable wear and tear. If the Residential Living Unit is damaged beyond ordinary wear and tear, as reasonably determined by us, the costs of repair shall be your obligation and such costs shall be billed directly to you or your estate, or alternatively, deducted from any refund that may be due.

(b) <u>Property Damages Caused by Resident.</u> Any loss or damage to our real or personal property caused by you or your guests shall be paid by you. In the event of your death, your estate shall be liable for any loss or damage to our property caused by you.

**13.10** <u>Release Regarding Conduct of Other Residents or Guests.</u> We assume no responsibility for your conduct or the conduct of any other residents, and you hereby release and discharge us from any claims for injury or damage to you or to your personal property caused by the conduct of other residents or guests. You may bring any claims for personal injury sustained by you from the actions or omissions of other residents directly against the residents and/or guests that are responsible for your injury.

# 13.11 <u>Responsibility For Your Personal Property.</u>

(a) <u>Responsibility for Loss or Damage</u>. We shall not be responsible for the loss or damage due to fire, theft, or other causes of any property belonging to you, or your estate, or your guests.

(b) <u>Removal of Personal Property.</u> Your personal property shall be removed from the Residential Living Unit within thirty (30) days following your move or your death. If removal of property is not accomplished within such time, then we shall have the right to remove such property and store the same at the expense and risk of you or your estate. Articles of personal property remaining in storage sixty (60) days following Surrender shall become our property.

**13.12** <u>**Rules, Regulations, Policies, and Procedures.**</u> You shall cooperate, and comply with all rules, regulations, policies, and procedures established by the Community. Rules, regulations, policies, and procedures are set forth in the Resident Handbook, and other publications or documents of the Community, and they are subject to change from time to time.

**13.13** <u>Your Rights are Personal and Non-transferable.</u> Your rights and privileges under this Agreement are personal to you and can not be transferred or assigned. No person other than you may occupy or use the Residential Living Unit covered by this Agreement unless approved in writing by us.

**13.14** <u>**Right of Self-Organization.</u>** You along with other residents of Community shall have the right of self-organization. A representative designated by us shall hold, at a minimum, quarterly meetings during the calendar year with residents of Community. At least seven (7) days notice of each quarterly meeting shall be given to you.</u>

**13.15** <u>**Guests.**</u> You shall have the right to entertain guests in the Residential Living Unit for up to thirty (30) consecutive days upon advance written notice to us. Thereafter, no guest may remain in the Residential Living Unit without our advance written approval and the payment of an additional fee per day per guest. Failure to

abide by this policy shall be considered a violation of this Agreement and therefore, grounds for the termination of this Agreement by us. Guests shall pay menu prices for meals taken while at the Community.

**13.16** <u>Pets.</u> Under limited circumstances as approved by us, you may have a pet so long as it meets the requirements of our pet policy. You shall assume financial responsibility and any obligations for any damage caused by the pet and shall pay an additional fee as set by us in accordance with our policy, which is subject to change from time to time. We reserve the right to rescind approval of the pet if we determine that the pet constitutes a nuisance or danger to Community, or threatens the quiet enjoyment of other residents.

**13.17** <u>**Smoking.**</u> We are a smoke-free community. We do not permit smoking anywhere on our campus, including your Residential Living Unit, in accordance with our smoking policy described in the Resident Handbook, which is subject to change from time to time.

#### SECTION 14: CASUALTY LOSS

In the event the Residential Living Unit occupied by you or the building in which the Residential Living Unit is located, is destroyed or is damaged by fire or other casualty so as to render the Residential Living Unit generally unfit for Occupancy, we will endeavor in good faith to rebuild and replace the Residential Living Unit and/or building with substantially similar accommodations unless doing so would threaten our financial viability. In the unlikely event that we determine that rebuilding threatens our financial viability so as to preclude replacement of the Residential Living Unit or building, then we will strive to develop an alternative restoration plan in which we will exercise our best efforts to locate, identify or provide, if financially feasible as determined by us, reasonable alternative accommodations for any resident affected by such a catastrophic loss. We will provide notice to the Insurance Department of such a catastrophic loss prior to a decision to terminate any agreements, which will provide an opportunity for the Insurance Commissioner to intervene on your behalf. If we elect to terminate this Agreement, written notice of termination shall be given to you as soon as is reasonably possible from the date of the damage to the Residential Living Unit. Any applicable refund due to you in accordance with Section 11 shall be paid to you in full upon any such termination. If notice of termination is not given, or if the damage does not render the Residential Living Unit unfit for Occupancy, we shall be obligated to rebuild or repair the damage to the Residential Living Unit as soon as reasonably possible for Occupancy by you, and this Agreement shall remain effective unless the parties may otherwise mutually agree. In the event you are unable to occupy the Residential Living Unit for any period of time during any reasonably necessary period of restoration of the Residential Living Unit, the Monthly Service Fee shall be reduced

proportionately, unless a vacant Residential Living Unit is available for temporary Occupancy by you. We shall not be liable for any damage, compensation, or claim by reason of inconvenience or annoyance arising from the necessity of repairing any portion of the Residential Living Unit, or the interruption in use of the Residential Living Unit, or the termination of this Agreement by reason of the destruction of the Residential Living Unit or building.

#### SECTION 15: RENOVATION OF RESIDENTIAL LIVING UNIT

We reserve the right to relocate you to another residential living unit within the Community in the event the Residential Living Unit occupied by you or the building in which the Residential Living Unit is located is subject to renovation. In such event, you shall relocate to a residential living unit that is substantially similar to the Residential Living Unit designated under this Agreement. In the event of such relocation, we shall assume responsibility for your reasonable moving costs. During temporary occupancy of the other residential living unit, you shall pay the Monthly Service Fee applicable to that residential living unit. Upon completion of the renovations, you may, subject to our approval, elect to remain in the Residential Living Unit you have occupied on a temporary basis, or return to the renovated Residential Living Unit or the renovated building in which the Residential Living Unit is located. If you, subject to our approval, choose to remain in the residential living unit you have been occupying, then you shall continue to pay the applicable Monthly Service Fee, and any applicable refund due to you upon the termination of this Agreement shall be based on the Surrender of that residential living unit. In the event you, subject to our approval, choose to return to the renovated Residential Living Unit or the building in which the Residential Living Unit is located, then this Agreement shall terminate and you shall receive any applicable refund. You shall execute a new Residence and Care Agreement with us and pay the then current Entrance Fee and the then current Monthly Service Fee. All costs associated with relocation to the renovated Residential Living Unit or the building in which the Residential Living Unit is located shall be paid by you. **SECTION 16: SEVERABILITY** 

If any provision of this Agreement is determined by a judicial or administrative tribunal of proper jurisdiction to be invalid or unenforceable, such provision shall be severed and the balance of this Agreement shall remain in full force and effect.

#### SECTION 17: ACTS OF FORBEARANCE

No act of forbearance or failure to insist upon prompt performance of any of the terms of this Agreement by us shall be construed as a waiver of any of the rights granted to us.

#### SECTION 18: ENTIRE AGREEMENT

This Agreement along with applicable addendum(s), constitute the entire Agreement between you and us. We shall not be responsible or liable for any statements, representations, or promises made by any person representing or purporting to represent us, unless such statements, representations, or promises are set forth in this Agreement. Any brochures or advertisements describing us are for the purpose of inviting inquiries only and are not to be relied upon as legally or contractually binding. This Agreement may not be amended except by a subsequent written addendum approved by us and executed by the parties.

#### **SECTION 19: INDEMNIFICATION**

You shall indemnify and hold us harmless from and against, and are responsible to pay for, any damages, including our attorneys' fees and reasonable costs, including those incident to establishing the right to indemnification, arising from any injury to or death of any person or other resident, or arising from any damage to or loss of the property of any person or resident, caused by your acts or omissions, to the fullest extent permitted by law.

### SECTION 20: GRIEVANCE PROCEDURE

**20.1** <u>**Reporting Complaints.**</u> If you believe that you are being mistreated in any way or your rights have been or are being violated by staff or another resident, you shall make your complaint known to us. You must first notify us of any such complaints, and provide us with sixty (60) days to resolve the complaint satisfactorily to you before you may pursue mediation and/or arbitration.

**20.2** <u>Voluntary Mediation.</u> Mediation is a form of alternative dispute resolution whereby an impartial person facilitates communication between the parties. The goal of mediation is to resolve the dispute promptly, amicably, and without incurring significant time and expense. Mediations are non-binding in nature. This Agreement provides for voluntary mediation whereby the parties may, upon mutual agreement, engage in mediation before resorting to arbitration. If the parties mutually agree to mediate any dispute that may arise between them, then the mediation will be conducted at a site selected by us, which shall be at the Community or at a site within a reasonable distance of Community. If the parties are unable to resolve their dispute through mediation, then the dispute may only be resolved by arbitration as provided in this Agreement. If the parties do not mutually agree to mediate any dispute that may arise between them, then they may proceed directly to arbitration. The costs of the mediation shall be borne equally by each party, and each party shall be responsible for their own legal fees, except in collection actions where the parties mutually agree in

favor of the Community or, if unable to resolve the dispute through mediation, where the Community, through arbitration, is deemed to be the prevailing party, then in that event, the Community shall be entitled to recover attorneys' fees and costs incurred in pursuing the enforcement of your financial obligations. If the parties mutually agree in favor of you or you are the prevailing party, you shall be entitled to recover attorneys' fees and costs incurred in defending the collection action.

**20.3** <u>Mandatory, Binding Arbitration</u>. Arbitration is a specific process of dispute resolution utilized instead of the traditional state or federal court system. Instead of a judge and/or jury determining the outcome of a dispute, a neutral third party ("Arbitrator(s)") chosen by the parties to this Agreement renders the decision, which is binding on both parties. Generally an Arbitrator's decision is final and not open to appeal. The Arbitrator will hear both sides of the story and render a decision based on fairness, law, common sense and the rules established by the Arbitration Association selected by the parties. When Arbitration is mandatory, as it is under this Agreement, it is the only legal process available to the parties. Mandatory Arbitration has been selected with the goal of reducing the time, formalities and cost of utilizing the court system. You or, in the event of your incapacity, your authorized representative have the right to rescind this arbitration clause in accordance with the terms and conditions specified in Section 20.3(h) of this Agreement.

Contractual and/or Property Damage Disputes. Unless resolved or (a) settled by mediation, any controversy, dispute, disagreement or claim of any kind or nature, arising from, or relating to this Agreement, or concerning any rights arising from or relating to an alleged breach of this Agreement, with the exception of (1) guardianship proceedings resulting from your alleged incapacity; (2) eviction proceedings initiated by us; and (3) disputes involving amounts in controversy of less than Twelve Thousand Dollars (\$12,000), shall be settled exclusively by arbitration. This means that you will not be able to file a lawsuit in any court to resolve any disputes or claims that you may have against us. It also means that you are relinquishing or giving up all rights that you may have to a jury trial to resolve any disputes or claims against us. It also means that we are giving up any rights we may have to a jury trial or to bring claims in a court against you. Subject to Section 20.3(f), the Arbitration shall be administered by ADR Options, Inc., in accordance with the ADR Options Rules of Procedure, and judgment on any award rendered by the arbitrator(s) may be entered in any court having appropriate jurisdiction. You acknowledge and understand that there will be no jury trial on any claim or dispute submitted to arbitration, and you relinquish and give up your rights to a jury trial on any matter submitted to arbitration under this Agreement.

(b) <u>Personal Injury or Medical Malpractice</u>. Unless resolved or settled by mediation, any claim that you may have against us for any personal injuries sustained

by you arising from or relating to any alleged medical malpractice, inadequate care, or any other cause or reason while residing in Community, shall be settled exclusively by arbitration. This means that you will not be able to file a lawsuit in any court to bring any claims that you may have against us for personal injuries incurred while residing in Community. It also means that you are relinquishing or giving up all rights that you may have to a jury trial to litigate any claims for damages or losses allegedly incurred as a result of personal injuries sustained while residing in Community. Subject to Section 20.3(f), the Arbitration shall be administered by ADR Options, Inc., in accordance with the ADR Options Rules of Procedure, and judgment on any award rendered by the arbitrator(s) may be entered in any court having appropriate jurisdiction. You acknowledge and understand that there will be no jury trial on any claim or dispute submitted to arbitration, and you relinquish and give up your right to a jury trial on any claims for damages arising from personal injuries to you which are submitted to arbitration under this Agreement.

(c) <u>Exclusion From Arbitration</u>. Those disputes which have been excluded from mandatory arbitration (i.e., guardianship proceedings, eviction proceedings initiated by us and disputes involving amounts in controversy of less than \$12,000) may be resolved through the use of the judicial system. In situations involving any of the matters excluded from mandatory arbitration, neither you nor we are required to use the arbitration process. Any legal actions related to those matters may be filed and litigated in any court which may have jurisdiction over the dispute.

(d) <u>**Right to Legal Counsel.</u>** You have the right to be represented by legal counsel in any proceedings initiated under this arbitration provision. Because this arbitration provision addresses important legal rights, we encourage and recommend that you obtain the advice and assistance of legal counsel to review the legal significance of this mandatory arbitration provision prior to signing this Agreement.</u>

(e) <u>Location of Arbitration</u>. The Arbitration will be conducted at a site selected by us, which may be at the Community or at a site within a reasonable distance of Community.

(f) <u>Time Limitation for Arbitration.</u> Any request for arbitration of a dispute must be requested and submitted to ADR Options, Inc., with notice to the other party, prior to the lapse of two (2) years from the date on which the event giving rise to the dispute occurred. ADR Options, Inc., is the designated arbitration agency that shall hear disputes specified in Sections 20.3(a-b) of this Agreement. ADR Options, Inc., is an impartial alternative dispute resolution organization that provides a panel of neutral third party arbitrators from which you and Community, upon mutual agreement, shall select an arbitrator to facilitate dispute resolution. In the event ADR Options, Inc., is unable or unwilling to serve, then the request for Arbitration must be submitted to us

within thirty (30) days of receipt of notice or other determination of ADR Options, Inc.'s, unwillingness or inability to serve as a neutral arbitrator. We shall select an alternative neutral arbitration service within thirty (30) days thereafter and the selected Arbitration Agency's procedural rules shall apply to the arbitration proceeding. The failure to submit a request for Arbitration to ADR Options, Inc., or an alternate neutral arbitration service selected by us, within the designated time (i.e., two (2) years) shall operate as a bar to any subsequent request for Arbitration, or for any claim for relief or a remedy, or to any action or legal proceeding of any kind or nature, and the parties will be forever barred from arbitrating or litigating a resolution to any such dispute. Contact information for ADR Options, Inc., is as follows:

> Two Commerce Square, Suite 1100 2001 Market Street Philadelphia, PA 19103-7044 Phone: (215) 564-1775/ (800) 364-6098 Fax: (215) 564-1822 Website: www.adroptions.com

(g) <u>Allocation of Costs for Arbitration.</u> The costs of the arbitration shall be borne equally by each party, and each party shall be responsible for their own legal fees, except in collection actions where the Community is the prevailing party, then in that event, the Community shall be entitled to recover attorneys' fees and costs incurred in pursuing the enforcement of your financial obligations. If you are the prevailing party in a collection action, then you shall be entitled to recover attorneys' fees and costs incurred in defending the collection action.

Such notice must be sent via certified mail to the Community, and the notice must be postmarked within thirty (30) days of the execution of this Agreement. The notice may also be hand-delivered to the Community within the same thirty (30) day period. The filing of a claim in a court of law within the thirty (30) days provided for above will automatically rescind the arbitration clause without any further action by you or your authorized representative.

(i) <u>Not a Condition of Admission or Continued Stay.</u> Mandatory arbitration is not required as a condition of admission or continued stay in the Community.

(j) <u>Confidentiality.</u> You agree that, at all times, you will keep any information regarding the arbitration proceeding, including rulings, decisions and awards by the arbitrator, confidential and will not disclose voluntarily to any third party, except to the extent required by law. You are permitted to disclose that the matter has been resolved, without disclosing the results of the arbitration proceeding.

(k) <u>Severability of Arbitration Clause (Section 20.3(a-1) of this Agreement).</u> If any provision of this arbitration clause is determined by a judicial or administrative tribunal of proper jurisdiction to be invalid or unenforceable, such provision shall be severed and the balance of this arbitration clause shall remain in full force and effect.

(1) <u>Applicability of Arbitration Clause (Section 20.3(a-1) of this Agreement).</u> This arbitration clause shall not apply to any stay of yours in the Health Care Center operated by us as part of the Community.

## SELECTION OF ENTRANCE FEE REFUND OPTION

THIS ADDENDUM, effective this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, amends the Residence and Care Agreement (called "Agreement"), and any other addenda or amendments to the Agreement entered into between Allegheny Christian Ministries, Inc. d/b/a Laurel View Village, a Pennsylvania non-profit corporation, (called "Community," and referred to by the words "we," "us" and "our") and \_\_\_\_\_\_\_ (called "Resident," and referred to by the words "you" and "your" and where two individuals sign the Agreement for Double Occupancy, they are called collectively "Resident," "you" and "your" where the context permits, and individually "Co-Resident").

#### **RECITALS:**

Contemporaneously with this Addendum, you entered into the Agreement with us;

We offer three Entrance Fee refund options: (a) a sixty percent (60%) refundable option; (b) a thirty percent (30%) refundable option; and (c) an option whereby the Entrance Fee amortizes down to zero;

You desire to select one of the above Entrance Fee refund options; and

We and you desire to enter into this Addendum to specify the Entrance Fee refund option selected by you.

In consideration of the mutual promises contained in this Addendum, and intending to be legally bound, we and you agree as follows:

**1.** <u>Selection of Entrance Fee Refund Option.</u> You may select one of the following Entrance Fee refund options, and your initials next to the description of a particular option shall indicate the option selected by you:

[\_\_\_\_\_initials] (a) <u>Sixty Percent (60%) Refundable Option.</u> Under this option, you or your estate, subject to the conditions of Section 11 of the Agreement, will be entitled to a refund of sixty percent (60%) of the Entrance Fee.

- [<u>*initials*</u>] (b) <u>Thirty Percent (30%) Refundable Option.</u> Under this option, you or your estate, subject to the conditions of Section 11 of the Agreement, will be entitled to a refund of thirty percent (30%) of the Entrance Fee.
- [<u>*initials*</u>] (c) <u>Non-refundable Option.</u> Under this option, you or your estate generally will not be entitled to a refund of the Entrance Fee following the termination of the Agreement. If, however, you withdraw from the Community and terminate the Agreement before your Entrance Fee is fully amortized, then subject to the conditions of Section 11 of the Agreement, you will be entitled to a refund of the unamortized portion of the Entrance Fee.

# 2. <u>Amortization of Entrance Fee.</u>

(a) <u>Sixty Percent (60%) Refundable Option</u>. The Entrance Fee shall be amortized at the rate of one and one-quarter percent (1.25%) per month over a period of thirty-two (32) months beginning in the month of the Designated Occupancy Date or of Occupancy, whichever is earlier. At the conclusion of the amortization period, forty percent (40%) of the Entrance Fee shall be earned in full by us, and you will not be entitled to a refund of forty percent (40%) of the Entrance Fee shall not be subject to amortization.

(b) <u>Thirty Percent (30%) Refundable Option.</u> The Entrance Fee shall be amortized at the rate of one and one-quarter percent (1.25%) per month over a period of fifty-six (56) months beginning in the month of the Designated Occupancy Date or of Occupancy, whichever is earlier. At the conclusion of the amortization period, seventy percent (70%) of the Entrance Fee shall be earned in full by us, and you will not be entitled to a refund of seventy percent (70%) of the Entrance Fee shall not be subject to amortization.

(c) <u>Non-refundable Option</u>. The Entrance Fee shall be amortized at the rate of one and one-quarter percent (1.25%) per month over a period of eighty (80) months beginning in the month of the Designated Occupancy Date or of Occupancy, whichever is earlier. At the conclusion of the amortization period, the Entrance Fee shall be earned in full by us, and you will not be entitled to a refund of any portion of the Entrance Fee.

**3.** <u>**Termination After Occupancy.</u>** In the event of termination after Occupancy for any reason, the following refund provisions shall apply depending on the Entrance Fee option selected by you:</u>

(a) <u>Sixty Percent (60%) Refundable Option</u>. Subject to the provisions of Section 8 of the Agreement, in the event of termination during the amortization period, you will be entitled to a refund of sixty percent (60%) of the Entrance Fee plus the unamortized portion. After the lapse of the amortization period, you will be eligible for

a refund of sixty percent (60%) of the Entrance Fee. All refunds are subject to deductions for the amount of any financial assistance provided to you by us, and/or any amounts necessary to cover costs incurred by us to refurbish, restore or repair the Residential Living Unit in the event of unreasonable wear and tear, and/or costs incurred at your specific request, and/or any unpaid charges. All refunds shall be paid to you or your estate in accordance with Section 11.6 of the Agreement.

(b) Thirty Percent (30%) Refundable Option. All refunds shall be paid to you or your estate in accordance with Section 11.6 of the Agreement.

All refunds shall be paid to you or your estate in accordance with Section 11.6 of the Agreement. After the lapse of the amortization period, you will not be entitled to a refund of any portion of the Entrance Fee.

# Independent Auditors' Report

To the Board of Directors of Allegheny Christian Ministries, Inc. d/b/a Laurel View Village

#### Opinion

We have audited the financial statements of Allegheny Christian Ministries, Inc. d/b/a Laurel View Village (the Organization), which comprise the balance sheets as of June 30, 2024 and 2023, and the related statements of operations and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of June 30, 2024 and 2023, and the results of its operations, changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements June 30, 2024 and 2023

#### 1. Nature of Organization and Summary of Significant Accounting Policies

#### Organization

Allegheny Christian Ministries, Inc. d/b/a Laurel View Village (the Organization) is a not-for-profit corporation organized to operate a continuing care retirement community (CCRC) on a 46-acre site in Davidsville, Pennsylvania. The CCRC includes 60 skilled nursing (SN) beds; 63 personal care (PC) units, 15 of which are dedicated PC memory care (MC) units; and 170 independent living (IL) units. The Organization's primary service area includes Davidsville, Pennsylvania and surrounding communities in Somerset County, Pennsylvania.

#### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### **Cash and Cash Equivalents**

For purposes of the statements of cash flows, cash and cash equivalents include investments in highly liquid debt instruments purchased with an original maturity of three months or less, excluding investments and assets whose use is limited.

#### Accounts Receivable, Residents

The Organization assesses collectability on all resident accounts prior to providing services. Resident accounts receivable are reported net of an allowance for credit losses, which represents the Organization's estimate of expected losses as of the balance sheet date. The adequacy of the allowance for credit losses is reviewed on an ongoing basis, using historical payment trends, write-off experience, analysis of receivables portfolios by payor source and aging of receivables, a review of specific accounts, as well as expected future economic conditions and market trends and adjustments are made to the allowance as necessary. The allowance for credit losses was approximately \$119,000 and \$135,000 at June 30, 2024 and 2023, respectively.

#### Investments, Assets Whose Use is Limited and Investment Risk

Investments primarily include assets set aside for the general use and purposes of the Organization.

Assets whose use is limited primarily include assets set aside to meet statutory minimum liquid reserve requirements, assets whose use by the Organization is limited to providing financial assistance to residents and restricted deposits under loan agreements.

Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value on the balance sheets. The Organization invests a portion of its investments and assets whose use is limited with the Community Foundation for the Alleghenies (the Foundation). These assets are held in the Foundation's investment pool and are invested for the Organization's benefit. No variance power has been granted to the Foundation. The investment pool is managed to provide a stable source of financial support. In order to meet this objective, the funds are invested in a diversified asset allocation with an emphasis on equity-based instruments to obtain capital appreciation and current yield. Investments held in the Foundation's investment pool include U.S. equities, international equities, fixed income securities and other assets. The Organization has no unfunded commitments related to its interest in the assets held by the Foundation as of June 30, 2024. The Organization's interest in the assets held by the Foundation is carried at unitized value.

Investment income or loss (including realized and unrealized gains and losses on investments, interest and dividends) is included in revenue and other income in excess of (less than) expenses unless restricted by donor or law. Interest income is measured as earned on the accrual basis. Dividends are measured based on the ex-dividend date. Purchases and sales of securities and realized gains and losses are recorded on a trade-date basis.

The Organization's investments are comprised of a variety of financial instruments and are managed by investment advisors. The fair values reported in the balance sheets are subject to various risks including changes in the equity markets, the interest rate environment and general economic conditions. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the fair value of investment securities, it is reasonably possible that the amounts reported in the balance sheets could change materially in the near term.

#### **Beneficial Interest in Perpetual Trust**

The Organization received a perpetual trust as a contribution. Under this agreement, the Organization recorded the assets and recognized contribution revenue with donor restrictions, based on the existence of time restrictions, at the fair value of the Organization's interest in the trust assets. Income earned on the perpetual trust assets and distributed to the Organization is recorded as contributions and other income in the statements of operations and changes in net assets unless otherwise restricted by the donor.

#### **Property and Equipment**

Property and equipment acquisitions are recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets which range from 3 to 39 years. Generally, all property and equipment purchases that exceed \$500 are capitalized.

Donations of property and equipment are reported at fair value as a change in net assets without donor restrictions unless use of the assets is restricted by the donor. Monetary gifts that must be used to acquire property and equipment are reported as restricted income. Net assets with donor restrictions are reclassified and reported as a change in net assets without donor restrictions when an asset is purchased with the donated funds and placed in service.

Property and equipment will be evaluated for impairment whenever events or changes in circumstances indicate the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. If expected cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of the assets. No impairment losses were recognized in 2024 or 2023.

#### **Deferred Financing Costs**

Costs incurred in connection with the issuance of long-term debt are amortized over the term of the related debt using the straight-line method, which approximates the effective interest method, and are presented in the Organization's balance sheets as a direct reduction of long-term debt. Amortization expense was \$36,354 in 2024 and \$36,448 in 2023.

Notes to Financial Statements June 30, 2024 and 2023

#### **Residence and Care Agreement and Entrance Fees**

IL residents are required to enter into a Residence and Care Agreement (the Agreement) upon admission to one of the Organization's IL units. Under the Agreement, the resident agrees to pay an entrance fee for the IL unit selected, which varies based on the type and size of the IL unit and the refund option selected by the resident.

Upon payment of the full entrance fee, plus payment of a monthly fee, the resident is entitled to possession of the IL unit for the duration of the resident's life or until the resident's physical or cognitive condition requires transfer to another level of care.

In the event a prospective resident for an IL unit terminates the Agreement prior to occupancy, all monies paid toward the entrance fee will generally be refunded within 60 days. After occupancy, residents may be entitled to a refund of a portion of the entrance fee paid, as defined in the Agreement; any applicable entrance fee refund shall be made after the Organization receives an entrance fee from a successor resident for the IL unit vacated.

The Organization offers three entrance fee plans to prospective residents, a nonrefundable plan and two refundable plans. The refundable plans have a guaranteed refund component, which is either 30% or 60% of the entrance fee paid. The nonrefundable plan has no guaranteed refund component and is refundable on a decreasing basis at a rate of 1.25% per month for each month or portion thereof of occupancy; after 80 months of occupancy, no refund is due or payable. Entrance fees received under the refundable plans are also refundable on a decreasing basis at a rate of 1.25% per month for each month or portion thereof of occupancy; after 56 months of occupancy, 30% of the entrance fee will be due or payable upon termination of the 30% refundable plan Agreement, and after 32 months of occupancy, 60% of the entrance fee will be due or payable upon termination of the 60% refundable plan Agreement.

The guaranteed refund component of entrance fees is not amortized to income and is classified as refundable entrance fees and deposits in the balance sheets. The balance of entrance fees received is classified as deferred revenue from entrance fees in the projected balance sheets and is amortized to income over the annually adjusted actuarially determined life expectancy of the residents using the straight-line method, which approximates the period of time that goods and services under the Agreements are expected to be transferred to residents.

Amortization of nonrefundable entrance fees was \$1,418,903 in 2024 and \$1,353,093 in 2023. A significant portion of amortization revenue in 2024 and 2023 was included in deferred revenue from entrance fees as of the beginning of each year.

Contractual refund obligations under the Agreements approximate \$10,443,453 and \$10,974,583 at June 30, 2024 and 2023, respectively.

The majority of services provided to IL residents are paid for on a fee-for-service basis and are not included under the Agreements. A description of the services not covered or included in the entrance fee and monthly fee is provided to IL residents upon admission.

#### **Derivative Financial Instruments**

The Organization entered into interest-rate swap agreements, which are considered derivative financial instruments, to manage its interest rate risk on certain components of its long-term debt. The interest rate swap agreements are reported at fair value and classified as derivative financial instruments in the balance sheets. Related changes in fair value are reported in the statements of operations and changes in net assets.

Notes to Financial Statements June 30, 2024 and 2023

#### Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donorimposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

**Net Assets Without Donor Restrictions** - This classification includes net assets available for use in general operations and not subject to donor restrictions. All revenue not restricted by donors and donor restricted contributions whose restrictions are met in the same period in which they are received are accounted for in net assets without donor restrictions.

**Net Assets With Donor Restrictions** - This classification includes net assets subject to donorimposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donorimposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. All revenues restricted by donors as to either timing or purpose of the related expenditures or required to be maintained in perpetuity as a source of investment income are accounted for in net assets with donor restrictions. When a donor restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions

#### **Net Resident Service Revenue**

Net resident service revenues are reported at the amount that reflects the consideration the Organization expects to receive in exchange for the services provided. These amounts are due from residents or third-party payors and include variable consideration for retroactive adjustments, if any, under reimbursement programs. Performance obligations are determined based on the nature of the services provided. Net resident service revenues are recognized as performance obligations are satisfied.

Payment terms and conditions for the Organization's resident contracts vary by contract type and payor source, although terms generally include payment to be made within 30 days. Net resident service revenues for recurring and routine monthly services due from private pay residents are generally billed monthly in advance. Net resident service fee revenues for ancillary services due from private pay residents are generally billed monthly in arrears. Net resident service revenues due from Medicare, Medicaid and other third-party payor programs are billed monthly in arrears.

Net resident service revenues are primarily comprised of SN, PC and IL revenue streams, which are primarily derived from providing housing and SN, PC and IL services to residents at a stated daily or monthly fee, net of any explicit or implicit price concessions. The Organization has determined that the services included in the stated daily or monthly fee for each level of care represents a series of distinct services that have the same timing and pattern of transfer. Therefore, the Organization considers the services provided to residents in each level of care to be one performance obligation which is satisfied over time as services are provided. As such, SN, PC and IL revenues are recognized on a daily or month-to-month basis as services are rendered.

The Organization receives revenue for SN services under third-party payor programs, including Medicare, Medicaid and other third-party payors. Settlements with third-party payors for retroactive adjustments due to audits, reviews or investigations are included in the determination of the estimated transaction price for providing services. The Organization estimates the transaction price based on the terms of the contract and correspondence with the third-party payor and historical payment trends. Retroactive adjustments are recognized in future periods as final settlements are determined.

#### **Income Tax Status**

The Organization is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code (the Code) and has been recognized as tax exempt under Section 501(a) of the Code. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

#### Revenue and Other Income In Excess of (Less Than) Expenses

The statements of operations and changes in net assets include the determination of revenue and other income in excess of (less than) expenses (the performance indicator). Operating loss includes only those operating revenues and expenses that are an integral part of the Organization's program activities and net assets released from donor restrictions to support operating expenditures. Revenue and other income in excess of (less than) expenses include all operating activities, as well as investment income, contributions, the change in fair value of derivative financial instruments and other nonoperating revenues and expenses.

#### Reclassifications

Certain reclassifications have been made to the 2023 financial statements in order to conform to the 2024 presentation.

#### Subsequent Events

In preparing these financial statements, the Organization evaluated events that occurred through October 17, 2024, the date the financial statements were issued, for potential recognition or disclosure.

#### 2. Liquidity and Available Resources

Financial assets available for general expenditure within one year of the balance sheets dates consist of the following as of June 30:

|                                                                            | 2024 |                                     |    | 2023                            |

| Total                                                                      | \$   | 5,734,379                           | \$ | 4,845,473                       |

The Organization's assets whose use is limited are generally not available for general expenditure within the next year and are not reflected in the amounts above.

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

As stated in Note 4, the Organization designated a portion of its investments as a statutory minimum liquid reserve to comply with the requirements of Act 82 and thus they are not included in the schedule above. Although the Organization does not intend to utilize the Act 82 reserves for general expenditures as part of its annual budget and approval process, amounts designated as Act 82 reserves could be made available, as necessary. The Act 82 reserves are separately classified in the consolidated balance sheets and do not have third-party restrictions or limitations on the withdrawal and subsequent liquidation of such funds.

#### 3. Net Resident Service Revenues

The Organization disaggregates revenue from contracts with residents by type of service and payor source as this depicts the nature, amount, timing and uncertainty of its revenue and cash flows as affected by economic factors. Net resident service revenues consist of the following for the years ended June 30:

|                                                                    | 2024 |                     |    |                          |    |                                              |    |                                               |

The Organization has agreements with third-party payors that provide for payments at amounts different from established rates. A summary of the payment arrangements with major third-party payors follows:

**Medicare** - Nursing and ancillary services provided to Medicare Part A beneficiaries are paid at prospectively determined rates per day. These rates vary according to a resident-specific classification system that is based on clinical, diagnostic and other factors and the reimbursement methodology is subject to various limitations and adjustments.

**Medical Assistance** - The Pennsylvania Department of Human Services has a mandatory Medical Assistance managed care program, Community HealthChoices (CHC). The primary goals of CHC are to better coordinate health care coverage and improve access to medical care. The services for which Medical Assistance program beneficiaries are eligible did not change under CHC.

Each Medical Assistance program beneficiary is able to choose a managed care organization (MCO). Effective January 1, 2023, nursing services provided to Medical Assistance program beneficiaries are paid by the MCOs at prospectively determined rates per day. These rates are adjusted quarterly based on a resident classification system that is based on clinical, diagnostic and other factors.

As described above, the Medicare Part A and Medical Assistance rates are based on clinical, diagnostic and other factors. The determination of these rates is partially based on the Organization's clinical assessment of its residents. The Organization is required to clinically assess its residents at predetermined time periods throughout the year which are subject to review and adjustment by Medicare and Medical Assistance programs.

# 4. Fair Value Measurements, Assets Whose Use is Limited, Investments and Other Financial Instruments

For financial instruments required to be measured at fair value on a recurring basis, fair value is defined as the price that would be received to sell an asset or paid to dispose of a liability in an orderly transaction between market participants at the measurement date. Fair value is measured using a hierarchy prioritizing the inputs used in determining valuations into three levels. The level within the fair value hierarchy is based on the lowest level input that is significant to the fair value measurement.

The levels of the fair value hierarchy are as follows:

Level 1 - Unadjusted quoted prices in active markets that are accessible to the Organization for identical instruments.

Level 2 - Significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the instrument through corroboration with observable market data.

Level 3 - Significant unobservable inputs.

The following tables present financial instruments measured at fair value as of June 30, 2024 and 2023:

|                                                                   | June 30, 2024 |           |                 |         |    |         |       |           |

#### Valuation Methodologies

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at June 30, 2024 and 2023.

Mutual funds and money market funds are valued at fair value based on quoted market prices in active markets.

Interest in assets held by others represent funds managed by the Foundation that are invested in various pooled investment accounts and those units are valued at the fair value of the underlying or similar securities.

The fair value of the beneficial interest in perpetual trust was determined using the fair values of the investments in the trust, which approximates the present value of the future distributions expected to be received.

The Organization measures its derivative financial instruments (interest rate swap agreements) at fair value using information provided by a third party. The fair value takes into consideration the prevailing interest rate environment and the specific terms and conditions of the derivative financial instruments and considers the credit risk of the counterparty to the agreements and the Organization. The method used to determine the fair value calculates the estimated future payments required by the derivative financial instruments and discounts these payments using an appropriate discount rate. The value represents the estimated exit price the Organization would pay or be paid to terminate the agreements.

Investments and assets whose use is limited are classified on the balance sheets as follows at June 30:

#### 6. Long-Term Debt

#### 2024 Financing

In March 2024, the Organization entered into loan agreements with a bank to finance the construction and equipping of 10 new IL units on the Organization's campus (the 2024 Financing). The 2024 Financing is comprised of two components; a \$3,748,250 Intermediate Term Loan (ITL) and a \$650,000 Permanent Term Loan (PTL). The ITL and PTL are being issued on a draw-down basis during the construction period. Draws on the 2024 Financing began in March 2024. At June 30, 2024, cumulative draws totaled \$653,318.

The Organization is paying interest only on the ITL and PTL equal the 1-month term Secured Overnight Financing Rate (SOFR) plus 2.50% (7.82% at June 30, 2024) through the construction period. The ITL is expected to be repaid in full using proceeds from entrance fees for the sales of the new IL units. Beginning in January 2026, the PTL is projected to be repaid in monthly payments of approximately \$5,800, including interest equal to the 5-year Treasury Index plus 3.0%, through December 2040.

#### Series 2016 Bonds

In December 2016, the Organization restructured a portion of its long-term debt which resulted in the Somerset County Hospital Authority (the Authority) issuing \$4,535,000 of Mortgage Revenue Bonds, Series 2016 (Series 2016 Bonds). Funds from the issuance of the Series 2016 Bonds were used to refinance existing long-term debt and fund certain capital improvements.

The Series 2016 Bonds are payable in varying annual installments through November 2035, plus interest payable monthly at a variable rate equal to 75% of SOFR plus 2.00% (5.99% at June 30, 2024).

#### Series 2008 Revenue Notes

In November 2008, the Authority issued a \$10,000,000 Senior Mortgage Revenue Note, Series A of 2008 and the Geistown Borough Municipal Authority issued a \$10,000,000 Senior Mortgage Revenue Note, Series B of 2008 (collectively, the Series 2008 Revenue Notes) to finance the Organization's development and construction of Cambridge Place, a 55-unit IL apartment building along with a community center, dining room, restaurant and fitness center on the Organization's campus.

The Series 2008 Revenue Notes are payable in varying annual installments through November 2035, plus interest payable monthly at a variable rate equal to 75% of SOFR plus 2.00% (5.99% at June 30, 2024).

#### Security for Long-Term Debt

The Organization's long-term debt is secured on a parity basis by a first mortgage on substantially all of the property of the Organization and a security interest in all of its receipts.

#### **Interest Rate Swap Agreements**

The Organization has interest rate swap agreements that are considered derivative financial instruments. The objective of the swap agreements is to minimize the risks associated with financing activities by reducing the impact of changes in the interest rates on variable rate debt. The swap agreements are contracts to exchange variable rate for fixed rate payments over the terms of the swap agreements without the exchange of the underlying notional amount. The notional amount of the swap agreements is used to measure the interest to be paid or received and does not represent the amount of exposure to credit loss. Exposure to credit loss is limited to the receivable amount, if any, which may be generated as a result of the swap agreements. Management believes that losses related to credit risk are remote and that the swap agreements are continuing to function as intended.

The net cash paid or received under the swap agreements is recognized as an adjustment to interest expense. The Organization does not utilize interest rate swap agreements or other financial instruments for trading or other speculative purposes.

The Organization has three interest rate swap agreements. The total notional amount under the three swap agreements approximates 95% of the outstanding balances of the Series 2016 Bonds and Series 2008 Revenue Notes. The swap agreements were effective in May 2023 and expire in November 2028. Under the terms of the swap agreements, the Organization will pay interest at an average fixed rate of 4.13% (across all 3 swap agreements) and the swap counterparty will make payments based upon a floating rate equal to 75% of the 1-month term Secured Overnight Financing Rate (SOFR) plus 2%. The fair value of the swap agreements is presented in the balance sheets at the amount the Organization would receive if the agreements were terminated and was \$359,168 and \$366,368 at June 30, 2024 and 2023, respectively. Changes in fair value of the interest rate swap agreements are recorded as a change in fair value of derivative financial instruments in the statements of operations and changes in net assets. The change in fair value was \$(7,200) in 2024 and \$568,139 in 2023.

#### 10. Contingencies

#### **Senior Living Industry**

The senior living services industry is subject to numerous laws, regulations and administrative directives of federal, state and local governments and agencies. Compliance with these laws, regulations and administrative directives is subject to future government review and interpretation as well as regulatory actions unknown or unasserted at this time. Government activity continues to increase with respect to investigations and allegations concerning possible violations by healthcare providers of fraud and abuse statutes and regulations, which could result in the imposition of significant fines and penalties as well as significant repayments for resident services previously billed. Management is not aware of any material incidents of noncompliance; however, the possible future financial effects of this matter, if any, cannot be known with certainty.

#### Litigation

The Organization operates in an industry where various suits and claims arise in the normal course of business. The Organization maintains general and professional liability coverage on a claims-made basis through a commercial insurance carrier. Management is not currently aware of any claims that have been or will be asserted that will, after consideration of applicable insurance coverages, have a material adverse effect on the financial statements.

#### **Real Estate Taxes**

As a not-for-profit corporation in the Commonwealth of Pennsylvania, the Organization is an organization which qualifies for an exemption from real property taxes. However, a number of cities, municipalities, and school districts in the Commonwealth of Pennsylvania have challenged and continue to challenge the real estate tax exemption of not-for-profit corporations. The possible future financial effect of this matter on the Organization, if any, is not determinable.

#### 11. Concentrations of Credit Risk

The Organization grants credit without collateral to its residents, some of whom are insured under third-party payor arrangements, primarily with Medical Assistance, Medicare and various commercial insurance companies.

The Organization maintains cash and cash equivalents accounts, which, at times, may exceed federally insured limits. The Organization has not experienced any losses from maintaining cash and cash equivalents accounts in excess of federally insured limits. Management believes it is not subject to any significant credit risk on its cash and cash equivalents accounts.
