

Happy Holidays

Dear Friend of Laurel View Village,

I hope this letter finds you and your loved ones well. I would like to take the opportunity to thank all of you for your continued support of Laurel View Village. This has been an exciting year for us as we see construction on campus for the first time in 14 years. Our ten new townhomes are rapidly nearing completion, and we expect to welcome the first new residents to our community by the end of the year. To see Laurel View Village growing is a testament to the commitment made to provide services and care for our senior population.

Thanks to your support, last year's project to refresh our Healthcare and Personal Care dining areas is nearly complete. Tables and chairs have been replaced, and carpet and flooring have been ordered and await installation. Our residents in these areas are thrilled with the updates, and we owe it all to you for making it possible.

This year, we reach out to you with an appeal to help us once again enhance the quality of life for those we serve. As you may know, Laurel View Village is a vibrant community filled with stories, laughter, and cherished memories. A crucial need that can greatly enhance our community spirit: a new sound system for both the chapel and banquet rooms at Fresh Harvest. The chapel serves as the central hub for many campus activities. In addition to hosting church services, and memorial services, the chapel is used for events such as speaking engagements, concerts, and choir practice. It also provides a venue for support groups, grief counseling sessions, staff meetings, and training sessions.

Meanwhile, our banquet rooms accommodate a variety of community events, including dinners, parties, resident council meetings, and movie nights. Unfortunately, our current sound system is outdated and often unreliable, making it difficult to enjoy these experiences fully. A new sound system will ensure our residents can hear, participate, and engage fully.

We are seeking to raise funds to purchase a state-of-the-art sound system for both areas that will meet the needs of our growing community. We have already raised over \$14,000 towards this endeavor but technology of this type is expensive. Our goal is to raise \$30,000!

Your generous support of this project will directly impact the lives of residents in all areas of campus, allowing us to continue to bring our community together and create meaningful experiences. Please consider donating to this year's appeal. You may scan the QR code on the bottom of this letter to learn more about the proposed sound system and donate, or simply return the bottom of this letter with your check made out to Laurel View Village. Thank you for considering our appeal and for your continuing prayers and support of our community.

Sincerely,

Timothy V. Mock, CEO

Laurel View
VILLAGE

2024 Annual Christmas Appeal

Please accept my gift of: \$250 \$125 \$75 My Best Gift: \$ _____

Name: _____ Email: _____

Checks should be made payable to Laurel View Village.
